Featured Speakers

All Instructors

Each instructor will do a mini-lecture about themselves and their work after the opening dinner on Sunday evening.

Farewell Banquet -- Cathie Hoover

"The Color Red."

A humorous slide lecture. From a very young age, Cathie loved the color red. View slides of her childhood spent in England and Morocco and over the depth of a lifetime of quilting - see how the color red has worked its way into her work without any conscious effort on her part! An introduction and example to discovering your own personal color preferences. A few quilts and wearables will be shown after the slides.
