**PHIL BEAVER ----- Indiana**

Phil Beaver is retired from public school teaching, and, during many of those working years, he also owned and operated the exclusive Beaver House Dinner Theater where nearly thirty live performers amused sell-out crowds. His teaching career in fine arts covered areas of silversmithing and other metalsmithing, drawing, and fiber design. Phil found quilts by

chance in 2000 and soon became a serious and productive quilter. As of January 2006 he has produced ten large quilts and won 59 major awards, including 9 Best of Show awards in the most prestigious quilt shows in the world. Appeared regularly on HGTV's Simply Quilts.

SUNFLOWERS, POINSETTIAS AND MUCH MORE Each quilting student will successfully paint beautiful fabrics for producing sunflowers, poinsettias and other familiar subject matter.
